

## Wynn Nightlife signs The Chainsmokers for three-year residency

By Christina Hernandez · @quichetina

Las Vegas behemoth Wynn Nightlife has finalized a bold residency deal for its clubs with perhaps the biggest EDM crossover stars of late: [The Chainsmokers](#). Having spent the past year creating a series of chart-topping hits, Andrew Taggart and Alex Pall have signed onto an exclusive three-year deal that will see the duo headline a significant handful of shows across Wynn's main clubs, XS and Encore.

The Chainsmokers will commence their slew of performances on January 6 at XS – a season which will stretch until May 12. The duo's exclusivity deal branches farther out than one might expect, as XS and Encore will be the only venues in the world to experience The Chainsmokers in a club setting until 2019.

"We're excited to welcome The Chainsmokers to XS and Encore Beach Club. Partnering with such talented and sought-after artists exemplifies Wynn Nightlife's commitment to bringing world-class entertainment to our luxury venues," Managing Partner and Vice President Alex Cordova said of the signing. Alex Pall shared Cordova's sentiments, expressing the group's support in working with "the best of what Las Vegas has to offer."
