We're only a few days into 2017, but the year is shaping up pretty nicely for **The Chainsmokers**. Not only did they score multiple nominations at our **2017 iHeartRadio Music Awards**, but **Alex Pall** and **Drew Taggart** have also signed an exclusive three-year deal with Wynn Nightlife in Las Vegas.

On Tuesday (January 3), word of The Chainsmokers' upcoming venture was announced via press release and reveals that XS and Encore Beach Club are the only day and nightclubs that the duo will perform in from now through 2019. 10 dates have been announced.

"We are so thrilled to have this residency at the Wynn," Pall said in a press release. "They represent the best of what Las Vegas has to offer and we look forward to a great partnership." **Click here** for more information on The Chainsmokers' upcoming residency.
